

Welcome to the Ridgeland Band Program. We are excited to have you and your student be a part of one of the Premier Band Programs in the State of Mississippi.

You are not required to obtain one of these specific instruments, nor are you expected to use a particular vendor. However, these instruments meet the minimum standards for all beginning band students in any of the Madison County Schools. Some other brand name or model of instrument may not be suitable for beginning players or be made of poor quality material that will not be repairable at any repair shop.

Flutes:

Yamaha 200 AD

Armstrong 204

Emerson EP1
